WHY JOIN?

HBEA membership provides the opportunity for business educators, business employees/employers, or friends of business education to interact. Members may participate in a number of activities.

In-service workshops and conferences are scheduled throughout the school year. In times of rapid change, especially in computer technology, opportunities to learn new business techniques resulting from these changes are especially valuable.

Networking opportunities develop professional relationships among businesses and educators across schools from the elementary to graduate levels, strengthening business programs and the business profession.

Service projects develop student leadership skills. Students participate in contests and awards, serve as hosts/hostesses at various conferences, introduce speakers, staff exhibit tables, or help with registration.

Leadership development activities are open to any member. The organization encourages new members to learn and grow with the organization.

WHAT IS IT?

Hawai‘i Business Education Association is affiliated with the National Business Education Association, its regional affiliate, the Western Business Education Association, and the International Society of Business Education.

National Business Education Association (NBEA)

The nation's largest professional organization devoted exclusively to serving individuals and groups engaged in instruction, administration, research, and dissemination of information for and about business. (nbea.org)

The ultimate goal of HBEA and its affiliates is to prepare students to use information technology and business skills in our global society. We strive to prepare individuals with the knowledge and skills to succeed in careers in business and industry.

Western Business Education Association (WBEA)

Encourages its members and leaders to communicate effectively with NBEA, its constituent divisions, businesses, and related organizations for excellence in business and technology education in the global economy. (wbea.info)

International Society of Business Education (ISBE)

A vital link connecting the interests of business and education focusing on international topics. (isbeusa.org)
